PROCEDURES

Let us tell you about our organization.

About NIRMA

Nuclear Information and Records Management Association (NIRMA) is the nuclear industry's leader in information and records management. Since 1976, NIRMA has been uniquely qualified to provide guidance to commercial and Department of Energy facilities in the areas of quality records programs, regulatory compliance activities, electronic records initiatives, document management technologies, and knowledge management issues.

Our community includes Records Managers, Information Technology Professionals and Government Agency Representatives that are looking for your services and solutions.

Vision

To be the internationally recognized authority for Information and Records Management Professionals among regulated industries or agencies and their regulators.

Mission

To support regulated nuclear and selected industries, agencies, and their regulators in the development, implementation and administration of documents, records and information management processes to facilitate cost-effective operations and regulatory compliance.

Values

To promote professionalism, continuing education, accountability, teamwork, integrity, respect and excellence in all endeavors.

We are establishing ourselves in
Social Media!

NIRMA invites you to participate as a Speaker and/or Exhibitor at our Annual Symposium

Each year the annual symposium offers an array of speakers covering industry topics ranging from best practices and benchmarking to cloud computing. There are also many educational and networking opportunities available.

Vendors are invited to participate in our exhibit hall and speaking engagements are available.

The 47th Annual Symposium will be held at the JW Marriott in Las Vegas, Nevada, Aug 7-9, 2023.

The advertisement for nextscan is divided into two main sections. The top section is a red banner with the text 'CONFIDENT DIGITAL CONVERSION SUPERIOR PRODUCTIVITY'. Below this, it lists 'Microfilm', 'Microfiche', and 'Aperture Cards'. The text describes the scanner as the industry's leading 3-in-1 digitization solution, offering enhanced and powerful high-production scanning capabilities for conversion. It also mentions '100% risk-free in-house digitization' and 'guarantees 100% image capture'. The bottom section is an article titled 'A Question from the Symposium: "Why do you have two scanners?"' by Matt Anderson, Vice President of Marketing. The article discusses the benefits of line scan and area scan technology, comparing them to traditional microfilm and microfiche. It includes diagrams illustrating 'LINE SCAN' and 'AREA SCAN' processes. The article concludes with a call to action: 'Call us for a FREE Demo & Consultation! 208.514.4000'.

The advertisement for NIRMA features a blue header with the NIRMA logo and navigation links: Home, Annual Symposium, About, Join NIRMA, Advertise, Magazine, Member Login, Shop. Below the header are logos for CROWLEY (DIGITAL PRESERVATION SOLUTIONS), iBridge, and shinydocs. The main content is a red banner with the text 'CONVERT WITH CONFIDENCE...' and 'Flex-Scan'. It lists 'Microfilm', 'Microfiche', and 'Aperture Cards' and describes the scanner as the industry's leading conversion scanner. It includes a list of benefits: '100% Image Capture Guaranteed from Line Scanning Technology', 'Superior Image Quality from Proprietary Lighting Technology', and 'Increase Productivity & QA by 500% with Powerful Workflow Software'. The banner also includes a call to action: 'Get a FREE Demo Today! 208-514-4000'.
